DanceEast is the curator of the Jerwood DanceHouse, the home of dance in the East of England. Championing excellence in both its artistic programme and service delivery, DanceEast has created a package of activities that are simultaneously artist-centred and audience friendly.

DanceEast presents a diverse programme of performances that includes national and international dance artists and companies, emerging artists and young people. A range of support is provided for artists at all stages of their career, including an Associate Artists scheme and a Choreographic Development Fund. Initiatives such as MOKO Dance work in partnership with other national venues to develop the breadth and appeal of dance for young people and families. DanceEast is also a partner in the National Dance Network and the European DanceHouse Network, both of which work to increase opportunities for artists and audiences.

DanceEast runs approximately 50 classes each week in various dance styles for fun, fitness and professional development. DanceEast is also home to one of ten Centres for Advanced Training in Dance supported by the Department for Education to enable young people with exceptional potential in dance to work towards becoming a professional dancer.

DanceEast maintains its commitment to rural communities across East Anglia, running programmes and projects in schools, health and community settings in and beyond Ipswich. Community performance groups and regular performance opportunities promote training, creative and performing opportunities for young people across the county.

DanceEast works in education and community outreach involving people of all ages and abilities and takes dance to urban and rural communities. In 2015/16 there were over 47,000 attendances in participatory activities throughout Suffolk and the East of England.

DanceEast supports innovation and the development of new dance work by artists, whether it is training, creation or performance. For 2015/16 Associate Artists include: Alexander Whitley; Rosemary Lee; Anna Williams and UNIT (Tom Hobden & Kate Flurrie).

DanceEast is a registered charity and company limited by guarantee and is grateful for the support of Arts Council England, Suffolk County Council and Ipswich Borough Council, a range of trusts and foundations and the many individuals who all contribute to the vibrancy of DanceEast's extensive programme of excellent dance experiences.

In 2015/16 DanceEast had an annual turnover of over £1,800,000. The Jerwood DanceHouse comprises 4 dance studios, a studio theatre, offices and meeting rooms and café. DanceEast has a staff team of 45 full-time and part-time staff, including a number of core tutors.
