

DANCEEAST & ENCOREEAST

invite proposals for live performances and dance films for

HOST 2022

HOST celebrates dance and age. It brings together artists, performing companies and individuals to dance and talk in a programme of workshops, discussions, presentations, and performances. The third edition of HOST takes 'Let's Create' as its broad theme and will be held at DanceEast on Wednesday 4 May 2022 (subject to Covid-19 restrictions).

We are now inviting proposals from companies of older community dancers wishing to perform live and/or present a dance film as part of HOST 2022. Proposals may be for existing work, or work yet to be made, and we are particularly interested in work that has been made since March 2020.

For live performance, we hope to show a range of work and creative approaches, and companies performing live will also be part of the wider event. For dance films, we want to highlight work that responds to, or was made on, location, and we welcome work from across the world.

HOW TO APPLY

Deadline: Monday 20 December 2021, 12pm

Complete and return the proposal form to info@encoreeastdance.co.uk. The same form can be used for both live performance and film submissions (please indicate by deleting or circling the relevant heading on the form). You may submit more than one proposal, but please submit a separate form for each.

Our ambition is to highlight the range of work made and performed by companies of older dancers. To help us achieve this ambition, please be as specific as possible when you are describing the work about what happens and what the audience will see, rather than the creator's intention.

WHAT HAPPENS NEXT?

- Proposals, including contact details, will be shared between DanceEast and EncoreEast and discussed by a panel made up of members from both with the intention of curating a varied and balanced programme
- We may get back to you with follow-up questions or to request a copy of your film to help us better understand your proposal
- All proposals will be responded to by Monday 31 January 2022.

Expressions of Interest

If there is anything you would like to see included in HOST 2022, or something else you might like to contribute, we would be happy to hear from you. Please send a brief outline to info@encoreeastdance.co.uk by Monday 20 December 2021.
